

# National Computer Camps ON CAMPUS DIRECTIONS TO REGISTRATION

## DO NOT BRING YOUR SUITCASE TO THE REGISTRATION DESK

Residential campers need to arrive on Sunday at 1pm.

Day campers need to arrive on Sunday at 2:30pm.

For travel directions to each camp location, visit <http://www.nccamp.com> then click <Register> and then click<Directions to Camp>. Once you arrive on campus, follow the directions below.

### **Fairfield University – Fairfield, CT:**

Enter campus from North Benson Road (GPS: 1073 North Benson Road, Fairfield, CT 06824). Coming from the Merit Pkwy on North Benson Rd enter through the 2nd gate on your right. Coming from I95 enter the University from North Benson Rd through the 1st gate on your left. Follow the NCC signs. Registration is in the Bannow Science Center (Building No. 28 on the map). The telephone number at registration is (203) 254-4000 ext 3286 and campus security is (203) 254-4090.

To view a campus map click <http://www.fairfield.edu/directions/campusmap/>

This may take a minute to load.

### **Oglethorpe University – Atlanta, GA:**

Enter campus from Peachtree Road. Go straight at the guardhouse. Follow the signs. The building in front of you is Lupton Hall. The registration is on the ground floor. The telephone number at registration is (203) 710-5771 and campus security is (404) 504-1998.

### **Baldwin Wallace University – Cleveland, OH:**

Registration is in the BW Math and Computer Science Building located at 139 Tressel Street. From I-71, take the Bagley Road exit towards Berea/Baldwin Wallace University (turn left if coming from I-71 South, turn right if coming from I-71 North). In approximately 1.7 miles, turn left onto Tressel Street. The parking lot for the Math and Computer Science Building will be on your right. There will be a yellow “Camp Check-in” sign near the parking lot entrance. Then follow the signs in the Math and Computer Science Building to the registration desk.

Detailed directions on how to get to I-71 and the Math and Computer Science Building from the north, south, east and west can be found here:
